

Washco Automated SmartDial Service

Register/ Add Value to your smartcard with our 24-hour Automated SmartDial Service.

To add value to your smartcard:

1. At the main menu, Press "2".
2. Enter your smartcard serial number.
3. Follow the prompt and enter the value amount.
4. Enter your credit/debit card information.
5. After payment has been processed you will receive a 10-digit revalue code. Write your code down.
6. Take your card and your code to the CVA to retrieve value.

***PLEASE NOTE:** Once value is added to your smartcard, it remains on your smartcard until depleted by using the washers/dryers. You will be issued a different revalue code every time you revalue your smartcard.
